

COUNT BASIE CENTER FOR THE ARTS

MEMBERSHIP PROGRAM

OUR MISSION

Membership at the Count Basie Center for the Arts is at the heart of our philanthropic efforts. Members annual support helps the **Basie Center fulfill its mission to create shared educational, artistic, and community experiences that ignite curiosity, understanding, and joy.**

As a nonprofit organization, our responsive, inclusive programming reflects the diverse spirit and aspirations of its patrons, students, artists, and staff, welcoming them to participate as their most authentic selves.

Originally opened in 1926 as Reade's Carlton theater as a vaudeville movie theatre, the Count Basie Center for the Arts in Red Bank has grown to become one of the nation's most celebrated performing arts centers.

MEMBERSHIP IMPACT

We believe financial obstacles should never interfere with a student's passion for the arts.

- In 2025, we provided 323 scholarships to students for music lessons, performing arts classes and student productions at the Turner Academy of the Arts. The need for scholarships has grown and continues to grow each year. So far, this year we have exceeded that number.
- We continue to provide transportation and tickets to school shows for underserved school districts, allowing students to experience the performing arts in person – many for the very first time.
- We also fund and send our teaching artists into local schools, many of which have suffered budget cuts to their own arts programs
